

CONSUMER NOTICE

WILL COUNTY HOMELESS INFORMATION MANAGEMENT SYSTEM (HMIS) MEMBER AGENCY

We may be required to collect some personal information by law, or by organizations that give us funds to operate this program. Other personal information that we collect is important to run our programs, to better understand the needs of persons who are homeless, and to improve services to address those needs.

We only collect information that we consider to be appropriate. The collection and use of all personal information is guided by strict standards of confidentiality. A copy of our Privacy Notice describing our privacy practice is available to all consumers upon request.

You do have the ability to share your personal information with other area agencies that participate in the HMIS network by completing a “Release of Information” form. This will allow those agencies to work in a cooperative manner to provide you with efficient and effective services.
