

# NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW PRIVACY INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION.

**PLEASE REVIEW IT CAREFULLY.**

**THE PRIVACY OF YOUR PERSONAL INFORMATION IS IMPORTANT TO US.**

## **Purpose of This Notice**

ServicePoint is a centralized case management system that allows authorized participating agency personnel throughout Will County, Illinois, to collect client data, produce statistical reports, and share information with select partner agencies if a “release of information” form is signed by the client.

This notice tells you about how we use and disclose your private personal information. It tells you about your rights and our responsibilities to protect the privacy of your personal information. It also tells you how to submit complaints to us or the government if you believe that we have violated any of your rights or any of our responsibilities.

We are required by law to maintain the privacy of your private personal information. We must follow the terms of this notice that are currently in effect.

We reserve the right to change this Notice at any time. This Notice is not a legal contract. If this notice is changed, a copy of the revised notice will be available upon request. We may change our practices and those changes may apply to information we already have about you as well as any new information we receive in the future.

## **Instructions**

We must check applicable state privacy law to determine if it provides greater privacy protections or rights than federal law. If so, our Notice must reflect those greater protections or rights. All participating agencies must approve each Notice of Privacy Practices to ensure that the Notice sufficiently complies with applicable federal and state laws before we may distribute the Notice.

Each participating agency, and/or the agency’s associates, must also have the Notice available at the service delivery site for individuals to request to take with them. Whenever the Notice is revised, the revised Notice must be made available upon request on or after the effective date of the revision in a manner consistent with the above instructions. Thereafter, the revised Notice must be distributed to each new client at the time of service delivery upon request.

## **Our Legal Duty**

We are required by applicable federal and state law to maintain the privacy of your private personal information. We are also required, upon request, to give you this notice about our privacy practices, our legal duties and your rights concerning your private personal information. We must follow the privacy practices that are described in this notice while it is in effect. This notice takes effect immediately, and will remain in effect until we replace it.

We reserve the right to change our privacy practices and the terms of this notice at any time, provided such changes are permitted by applicable law. We reserve the right to make the changes in our privacy practices and the new terms of our notice effective for all private personal information that we maintain, including private personal information we created or received before we made the changes. Before we make a significant change in our privacy practices, we will change this notice and make the new notice available upon request.

You may request a copy of our notice at any time.
