Illinois Home Weatherization Assistance Program

The American Recovery and Reinvestment Act of 2009 (ARRA) was enacted to stimulate the nation's economy and create jobs. Through this Act, federal funds were allocated to each state's Weatherization Program. WCCCC has hired and trained additional assessors and contractors in the interest of providing weatherization assistance to over 350 households each year for the next two years.

The Illinois Home Weatherization Assistance Program (IHWAP) is designed to help income-eligible Will County residents save fuel and energy while increasing the comfort of their homes. The Program evaluates:

- **Heating system**
- **Insulation of exterior walls and attic areas**
- **Weather-stripping**
- **Caulking**
- **Other energy conservation measures**

Applications are taken on a first come/first served basis Monday through Friday from 8:30 a.m. to 3:00 p.m. There is **no cost** to qualified households.

Please Bring the Following Information When Applying:

- **Social security cards for all household members**
- **Most recent gas and electric bills**
- **Gross income from 90 days prior to the date of application for all household members**
- **Proof of ownership (deed, tax bill, mortgage statement or title)**
- **Landlords must provide a copy of property deed as proof of ownership**
- **Other documents may be requested at time of application**

Please call the Weatherization Information Line at 815.722.0722 ext 451 to leave a message requesting further information. Your call will be returned within one business day.
